## Tim Allen

Scottsdale

**Ashley:** Tim is the hardest worker I know, and yet he always puts the kids and me first. I know that when he goes to work each morning, he is going because he loves us and is devoted to being an excellent provider. Tim loves taking us on trips and great adventures, and he makes everything extra silly through his great sense of humor. He really is the greatest dad and husband in the world. We love you!

**Andi (3):** He lets me help him in our garden and brings me snow globes from around the world.

**Eli (1):** He plays basketball with me every night.

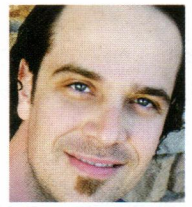

## Ryan Reid

Cave Creek

**Stacey:** I don't even know where to start when describing how great a dad Ryan is. He's really just the whole package. He's kind and caring but tough when he needs to be. He will always make time for whatever the boys want to do, and he helps with every aspect of parenting, from diapers to bath time and all the 2 a.m. wake-ups. Our boys are so lucky to have him, and so am I.

**Greyson (6) and Tatum (2):** Greyson's favorite thing in the world is Lego, and Ryan is the best builder ever. He is always willing to spend some time adding to Grey's "Lego City." Tatum would definitely say that his dad is the best because he's really just a big kid himself. There's always lots of playtime in our house.

## James Kai

Cave Creek

**Lisa:** James is the greatest dad in the world, not just because he puts his family first but because his life is an example to his children of sacrificial love. James considers his family his top priority. I know he feels very blessed to have three amazing children and thanks God for the privilege to raise them!

**London (7), Lucy (4), and Asher (18 months)**

My girls say their dad is the greatest because he spends time playing with them, he encourages them to always try new things, and then he helps them along the way. Plus, daddy gives the best hugs!

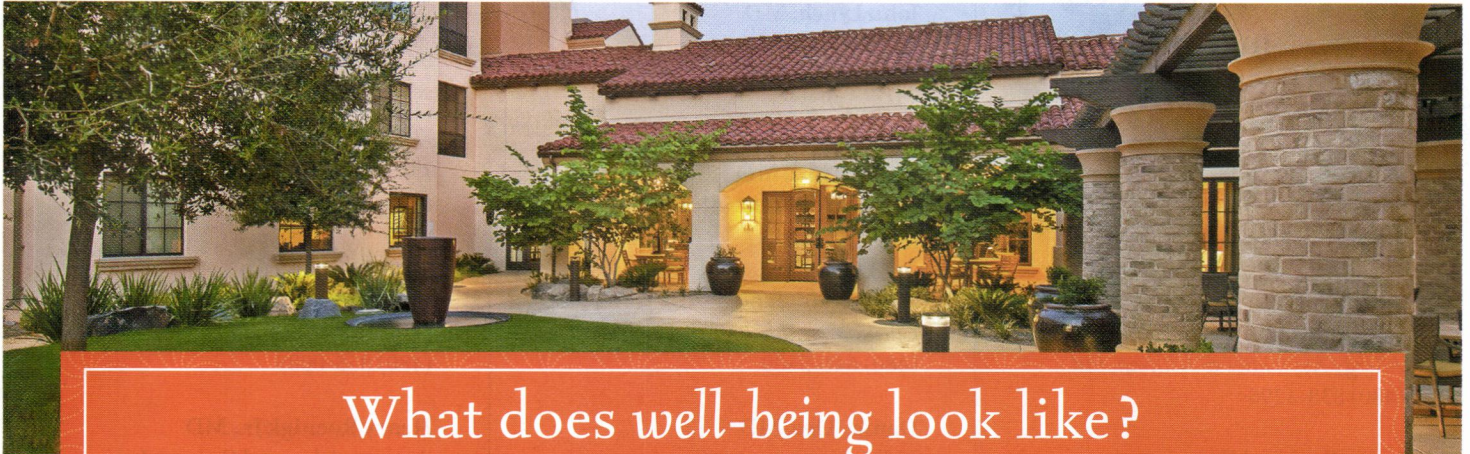

## Scott William Theaumont

Phoenix

**Samantha Jean:** My husband stole my heart with his home cooking 11 years ago! He has always prepared all the family dinners and holiday dinners, and even teaches our boys how to prep the dishes. Scott is the greatest dad to our children. Our children adore him and are always asking when daddy will be home! I couldn't imagine my life without him and our children.

**Andrin James (4):** I love my Daddy because he makes the best dinners! My daddy loves to teach me how to play baseball, and he also teaches me how to work around the house, especially in our yard! My daddy is also the best snuggle buddy in the world! He makes me so happy!

**Daniel Scott (2):** Because I love Daddy! He likes to cut the grass and roll in the yard with me!

## How to Rock a Stylish Photo Shoot

Stylista Nadine Bubeck offers tips on how to work the camera and look fabulous in photos.

Yes, I'm that mom who takes pictures *every* day. Yes, I'm that wife who drives my husband crazy with photographs. However, one day he'll thank me—pictures capture memories, and I love pictures.

Most recently, I did a mom-and-baby photo shoot at Studio No 5 in Old Town Scottsdale. The owners, Melissa and Tina, worked their magic, capturing snapshots I'll cherish forever. These fabulous picture takers say there's an art to working the camera, and since we all seem to be seeing is selfies, I asked them to spill their savvy tips for rocking a stylish photo shoot.
